
BLEND YOUR OWN WINE

Create a Tawny That Is Yours.

Set among the casks and oak barrels of Churchill's Tawny Port lodge, guests are invited to discover the delicate art of ageing and blending Tawny Ports through a hands-on workshop guided by Churchill's winemaking team.

The experience centres around the award-winning Churchill's 20 Year Old Tawny Port, including the exclusive opportunity to taste cask samples from the very components that make up this remarkable blend.

To conclude this immersive journey, each participant will create their own signature blend and take home a personalised 20cl bottle of Tawny Port, labelled with their own unique style.

A memorable and engaging experience, designed to deepen appreciation for the craftsmanship, balance and artistry behind the creation of a signature Tawny Port from one of Portugal's distinguished Port houses.

As the Tawny lodge can be quite cool, guests are advised to bring a light jacket. The experience also includes a guided visit to the Churchill's cellars.
